Rome, 2020 March 9

Dear Friends,
Dear Colleagues,

As you know, in Europe, and particularly in Italy, most public events are facing cancellations due to the global spread of coronavirus (COVID-19). Unfortunately, these includes also Medical Meeting, and our Roma CAPVT Mundi among them.

As Program Chairman of the event, together with all my Collaborators and the Organizing Secretariat, I have to admit that there are no security conditions to organize the Meeting at present time, and therefore our appointment in May will be postponed to a later date.

I think you all know how sadly I had to make this decision.

Looking forward to seeing you again soon and to collaborate again in the near future, I send you my best personal regards,

Francesco Speziale
